**ODA ADMINISTERED BY THE FOREIGN MINISTRY**
Funds that are administered by the Ministry for Foreign Affairs, which are used, for example for bilateral development cooperation, to support work done by the UN agencies, development banks and Finnish CSOs, and to provide humanitarian aid.

**OTHER DEVELOPMENT COOPERATION SPENDING**
An estimate of different administrative sectors’ expenditure that fall under development cooperation, including part of the expenses arising from the reception of refugees, civilian crisis management expenses, and Finland’s contribution to the EU’s Development Cooperation Instrument (DCI). This also includes an estimate of the investments made by the Finnish Fund for Industrial Cooperation Finnfund in 2017, which are considered to fall under development cooperation activities.

The situation under the state budget for 2017 and the central government’s spending limit decision for 2018–2020. The proportion of GNI is estimated to be 0.40% in 2017 and 0.39% in 2018–2020.

DEVELOPMENT COOPERATION APPROPRIATIONS 2017

FINLAND’S CONTRIBUTIONS TO EU DEVELOPMENT COOPERATION INSTRUMENT
These contributions are granted from the exclusive ODA budget item administered by the Ministry for Foreign Affairs and from other development cooperation appropriations.

163 MEUR

COUNTRY-SPECIFIC AND REGIONAL DEVELOPMENT COOPERATION
In some partner countries, support is channelled to programmes and projects conducted jointly by Finland and the partner country government as well as to work in the country or region that is carried out by other actors, such as development finance institutions, UN agencies, research institutes or companies.

147

MULTILATERAL DEVELOPMENT COOPERATION
The World Bank and the African Development Bank play a central role in improving infrastructure and economic growth in the developing countries. In its support of the UN agencies, Finland prioritises the United Nations Population Fund (UNFPA), the United Nations Entity for Gender Equality and the Empowerment of Women (UN Women) and the United Nations Children’s Fund (Unicef).

145

HUMANITARIAN AID
The need for humanitarian aid has multiplied in recent years, for example because of the conflicts in Syria, Iraq and South Sudan.

71

CIVIL SOCIETY ORGANISATIONS’ DEVELOPMENT COOPERATION
More than 80% of the support is channelled to professional CSOs such as Finn Church Aid, WWF and the Trade Union Solidarity Centre of Finland SASK, which conducts development cooperation programmes extending over several years.

65

NON-COUNTRY SPECIFIC DEVELOPMENT COOPERATION
Finland supports developing countries in finding ways to conduct foreign trade and increase their own tax revenue.

33

OTHER ODA ADMINISTERED BY THE FOREIGN MINISTRY
Examples include planning, evaluation and internal audit of development cooperation and concessional credits.

13

EXPENSES ARISING FROM RECEPTION OF REFUGEES
An estimate of such expenses arising from the reception of refugees during the first year of their stay in the country as falling under development cooperation.

36

CIVILIAN CRISIS MANAGEMENT
An estimate of civilian crisis management expenses falling under development cooperation.

15

FINNFUND
An estimate of the investments made by the Finnish Fund for Industrial Cooperation Finnfund falling under development cooperation activities.
