

Ways forward in promoting the national agenda on human rights due diligence by businesses

Linda Piirto, Senior Adviser, CSR
Ministry of Employment and the Economy
28 January 2016

How has the Finnish NAP been implemented?

Round tables

- Sector specific roundtables on due diligence: successful result with grocery chains, NGOs, labour organisations
- Constructive dialogue with textile industry

Training and guidance

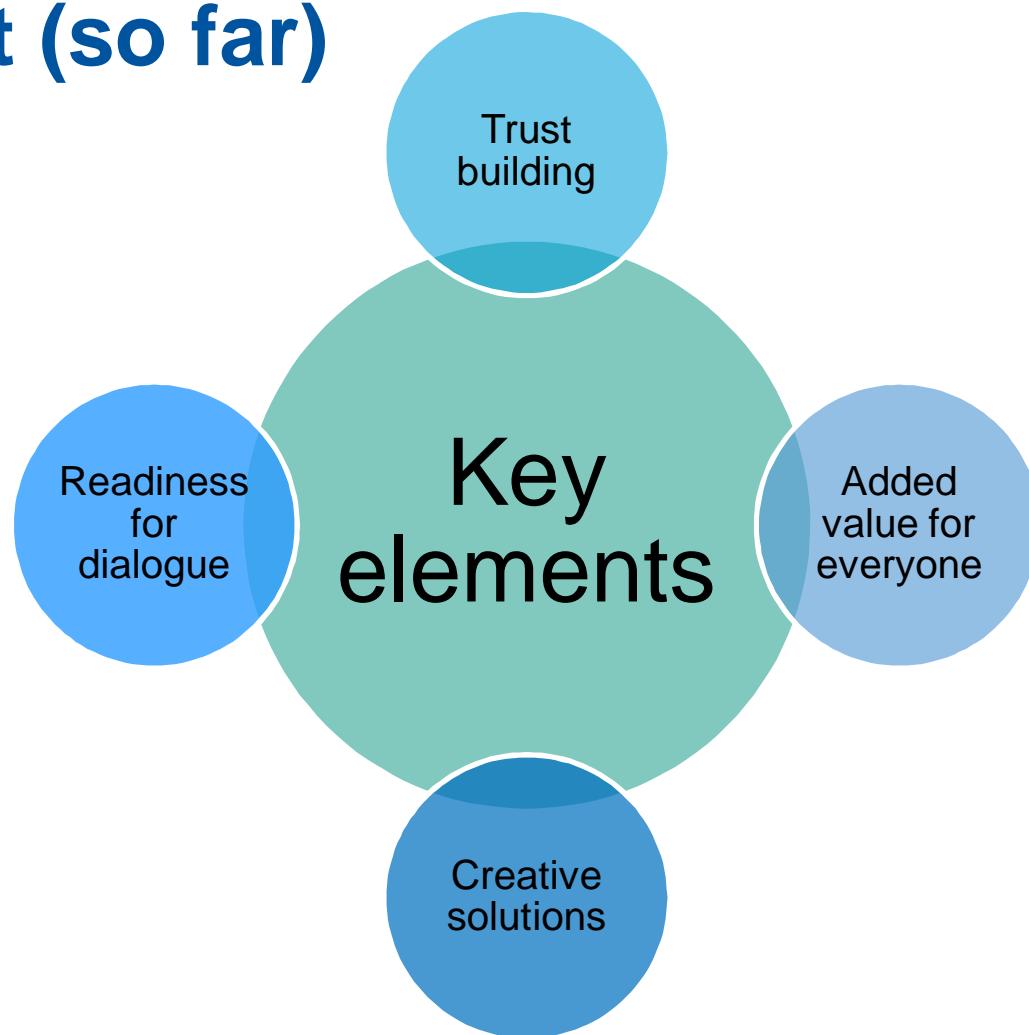

- CSR reports for trade missions
- Training for companies & public officials
- Studies on supply chain demands, global legal development, trade mission needs, etc.

Remedies

- Study on current Finnish legislative framework
- Ongoing accountability and remedy project by OHCHR
