

Modifications to a valid authorisation are requested using this form.

The Ministry for Foreign Affairs also has the right to annul an export authorisation or to modify the terms of it if any information provided in the application has been found incorrect or if any circumstances have changed after the authorisation was granted so that the international commitments or obligations binding on Finland call for such a measure (Act on the Control of Exports of Dual-Use Goods 562/1996. section 5).

<b>Object of modification</b>	Number of the export authorisation	Case ID in the e-Service	
	Approved	Validity ends

## **Request for a modification - filling instructions**

---

This form can be used to request a modification to a valid individual export authorisation, a global export authorisation or a granted Export Certificate or International Import Certificate. The same form can be used for supplementing a request that is being processed or for informing about changes. The request can be instituted only at the e-Service of the Ministry for Foreign Affairs

### **Object of modification**

In this field, please enter the number of the export authorisation or certificate and the case ID, which can be found under section Cases, on interleaf entitled "Processed cases". To make sure that the ID number is correct, please copy and paste it to this field. The date when the valid export authorisation was granted and the date of expiry of the validity of the authorisation must also be entered in this field.

If the request for a modification concerns a request that is under processing, please provide the case ID.

### **Contact person**

Enter your name and contact details.

### **The modification applies to**

Tick one or several of the provided options.

### **Description of the required modification**

Please give an account and details of the need of modification. This field is reserved for new information. If necessary, use an enclosure.

### **Attachments**

List the titles of the attachments in this field.

### **Signature**

Enter your name together with the place and date. The Katso-identification in the e-Service corresponds to an electronic signature.

Save the request for a modification on your e-Service account and institute the request.
