

ANNEX 3A PROJECTS FUNDED BY THE ACADEMY OF FINLAND

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2007	380 000	Helsinki School of Economics	Department of Economics	The impact of different organizational forms on the success of microfinance: evidence from Uganda	Haaparanta	Pertti
2007	370 000	KTL National Public Health Institute		Epidemiology of water- and foodborne bacterial infections in Burkina Faso (West Africa) - strategies for sustainable national public health management	Haukka	Kaisa
2007	380 000	Turku School of Economics	Finland Futures Research Centre	Future Resource Economy and Policies in Laos till the Year 2020 (FREPLA 2020)	Kaivo-oja	Jari
2007	380 000	University of Helsinki	Institute of Development Studies	NGOs in developmentalist complex. Differences and communalities in activities and impacts of selected Finnish-related NGO interventions in Tanzania, India and Vietnam	Koponen	Juhani
2007	380 000	University of Joensuu	Faculty of Forestry	Restoration of indigeneous forest landscape in Ghana: Interdisciplinary approach	Pappinen	Ari
2007	380 000	University of Jyväskylä	Department of Social Sciences and Philosophy	SECURITY, GOVERNANCE AND IDENTITIES IN FLUX The Role of Diaspora in Development in the Horn of Africa	Laakso	Liisa
2007	350 000	University of Tampere	Department of Psychology	Preventive intervention among children in war and military violence: effectiveness in preventing mental health problems and promoting empowerment and healthy development	Punamäki-Gitai	Raija-Leena
2007	300 000	University of Turku	Department of Geography	Rural settlement development, land ownership and food security since ujamaa era in eastern Tanzania	Sitari	Taimi

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2006	300 000	University of Helsinki	Department of Applied Chemistry and Microbiology	Characterization and conservation of Ethiopian rhizobial biodiversity, and exploring their use in sustainable agroforestry	Lindström	Kristina
2006	150 000	University of Helsinki	Department of Economics and Management	Role of Forest Uses in Poverty Alleviation in Ohangwena and Caprivi Regions in Namibia	Sumelius	John
2006	100 000	University of Helsinki	Department of Education	Enhancing ICT competence of teachers in the SADC region through innovative learning & knowledge communities	Virkkunen	Jaakko
2006	300 000	University of Helsinki	Department of Forest Ecology	Biodiversity and Pine Forest Pest Problems in Northeast China (BIOPROC)	Heliövaara	Kari
2006	300 000	University of Helsinki	Department of Forest Ecology	Tropical peat biochemical interactions with acid sulphate soils (TROPEASS)	Vasander	Harri
2006	250 000	University of Helsinki	Department of Physics	Air pollution in Southern Africa (APSA)	Laakso	Lauri
2006	100 000	University of Helsinki	Institute of Clinical Medicine	Improved management and contributing factors of childhood bacterial meningitis in Malawi	Peltola	Heikki
2006	300 000	University of Jyväskylä	Department of Social Sciences and Philosophy	Educated Girls in Tanzania: Socio-cultural Interpretations of the Meaning of Formal Education	Lehtomäki	Elina
2006	300 000	University of Kuopio	Department of Environmental Science	Yeheb, <i>Cordeauxia edulis</i> - A multipurpose legume endemic in the Horn of Africa, as a source of useful chemicals and its propagation in eastern Ethiopia for food and feed production	Holopainen	Jarmo
2006	300 000	University of Tampere	Tampere Peace Research Institution TAPRI	Gendered Agency in Conflict. Gender-sensitive Approach to Development and Conflict Management Practices	Jukarainen	Pirjo
2006	300 000	Åbo Akademi University	Department of Economics and Statistics	The effects of Finnish foreign aid on recipient countries' economic performance, inequality, poverty and well-being	Jäntti	Markus

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2006	300 000	Åbo Akademi University	Institute for Human Rights	Human-Rights-Based Approach to Disability in Development: Interplay of Disability-Sensitive Development Cooperation and National Policy in Uganda	Scheinin	Martin
2005	157 720	Helsinki University of Technology	Water Resources Laboratory	Upstream Aspects in the Management of International Rivers - China and the Mekong River	Varis	Olli
2005	287 560	University of Helsinki	Department of Applied Biology	Sweetpotato virus disease, the most severe disease problem in subsistence sweetpotato production, and natural virus reservoirs	Valkonen	Jari
2005	294 650	University of Helsinki	Department of Geography	Geoinformatics in environmental conservation and community based natural resource management in the Taita Hills, Kenya	Pellikka	Petri
2005	265 450	University of Helsinki	Department of Romance Languages	Right to language and mother tongue education. Linguistic Research as means of strengthening intercultural bilingual education in Nicaragua and Guatemala.	Riiho	Timo
2005	231 250	University of Joensuu	Centre for Tourism Studies	Tourism as a medium of modernization in Namibia (TDA)	Hottola	Petri
2005	289 610	University of Joensuu	Department of Human Geography and Geography	Land Use Ecology of Namibia (LUENA)	Colpaert	Alfred
2005	287 300	University of Joensuu	Faculty of Biosciences	Tropical forest modification and fragmentation, and the diversity of herbivores: A model study of insect herbivory and regeneration of <i>Neoboutonia macrocalyx</i> -tree	Roininen	Heikki
2005	308 870	University of Tampere	Tampere Medical School, Paediatric Research Centre	Prevention and management of childhood malnutrition in Malawi	Ashorn	Per

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2005	293 040	Åbo Akademi University	Institute for Human Rights	Implementing a Human Rights-Based Approach to Development	Suksi	Markku
2004	35 000	Helsinki University of Technology	Department of Biological and Environmental Sciences	A sustainable network of reserves in Atlantic forest of Northern Brazil	Siitonen	Paula
2004	140 000	Helsinki University of Technology	Water Resources Laboratory	Integrated Water Resources Management on the Mekong	Varis	Olli
2004	288 000	STAKES		Routine iron prophylaxis during pregnancy - effects on maternal and child health	Hemminki	Elina
2004	74 000	Tampere University of Technology	Institute of Environmental Engineering and Biotechnology	Governance in water and environmental services in long-term perspectives (GOWLOP)	Katko	Tapio
2004	4 000	Turku School of Economics	Finland Futures Research Centre	Governance and Sustainable Development	Kaivo-oja	Jari
2004	360 000	Turku School of Economics	Turku Futures Research Centre	Energy policy for sustainable development in emerging global and multilevel framework - Efficiency and institutional design in the Mekong Region	Luukkanen	Jyrki
2004	338 000	University of Helsinki	Department of Forest Ecology	Trees, agroforestry and livelihoods in dryland Africa (TALDA)	Luukkanen	Olavi
2004	255 000	University of Helsinki	Department of Sociology	Coping with the HIV/AIDS Pandemic in African Communities: The Case of North-Central Namibia	Notkola	Veijo
2004	410 450	University of Helsinki	Institute of Development Studies	Does Finnish aid matter? A study on its impacts on the state, forests and rural people	Koponen	Juhani
2004	184 000	University of Tampere	Department of Education	Partnerships, Effectiveness and Impact in Education Sector Programs	Takala	Tuomas
2004	126 000	University of Tampere	Institute of Environmental Engineering and Biotechnology	Governance in water and environmental services in long-term perspectives (GOWLOP)	Katko	Tapio

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2004	205 000	University of Turku	Department of Biology	Practical indicators of Amazonian forest soil characteristics	Ruokolainen	Kalle
2003	260 000	Helsinki School of Economics	Department of Economics	Economic Development and Structural Heterogeneity	Haaparanta	Pertti
2003	260 000	University of Helsinki	Department of Biological and Environmental Sciences	Decentralization, forest certification and community forestry in Central America	Kauppi	Pekka
2003	164 450	University of Helsinki	Department of Biological and Environmental Sciences	Ecological and social changes in the threatened rainforest of Madagascar (ECOMADA)	Niemelä	Jari
2003	260 000	University of Helsinki	Department of Forest Ecology	Trees for the Yangtse river: Watershed management and ecosystem rehabilitation in Sichuan province, China	Luukkanen	Olavi
2003	260 000	University of Helsinki	Department of Forest Ecology	Keys for securing carbon in tropical peat	Vasander	Harri
2003	260 000	University of Helsinki	Department of Social and Moral Philosophy	Development Ethics and the Rhetoric of Global Justice	Gylling	Heta
2003	128 930	University of Helsinki	Institute for Asian and African Studies	Islam, civil society and the secular state: The position of Muslims towards the state and local society in contemporary Ghana	Weiss	Holger
2003	85 380	University of Joensuu	Faculty of Forestry	Managing the genetic resources of indigenous mahoganies in Africa and America: development of multidisciplinary procedure	Pappinen	Ari
2003	174 620	University of Joensuu	Faculty of Forestry	Managing the genetic resources of indigenous mahoganies in Africa and America: development of multidisciplinary procedure	Pappinen	Ari
2003	133 190	University of Jyväskylä	Institute for Educational Research	Measuring Determinants of Sustainable Development in School Curricula: A Study of Ethiopia, Ghana and Nigeria	Kupari	Pekka

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2003	80 000	University of Jyväskylä	Institute for Educational Research	Educated girls in Tanzania: Socio-cultural interpretations of the meaning of education - Pre study 2004-05	Lasonen	Johanna
2003	310 000	University of Kuopio	Computing Centre, HIS R&D Unit	INDEHELA-Context: Socio-economic impact, sustainability and affordability in information systems development in and for Africa	Korpela	Mikko
2003	55 000	University of Oulu	Department of Geosciences	Karnataka PGE (platinum-group element) Project	Alapieti	Tuomo
2003	60 000	University of Oulu	Department of Physical Sciences	Building up an ionospheric monitoring station at University of Addis Ababa/ Ethiopia	Bösinger	Tilmann
2003	51 430	University of Tampere	Department of Management Studies	Governing 'Good Governance'	Vartola	Juha
2003	157 000	University of Tampere	Tampere School of Public Health	Male Involvement in Reproductive Health Programmes in Rural India and Malawi	Kulmala	Teija
2002	313 223	Department of Forest Ecology	University of Helsinki	Improved Forest Resource Management for combating desertification in Sudano-Sahelian Africa	Luukkanen	Olavi
2002	220 000	University of Helsinki	Department of Applied Biology	Sweet potato virus disease, the most severe disease problem in subsistence sweet potato production in East Africa	Valkonen	Jari
2002	150 000	University of Helsinki	Department of Applied Chemistry and Microbiology	Effect of vitamin D supplementation on bone mineral density and serum 25-OHD levels in different groups	Lamberg-Allardt	Christel
2002	300 010	University of Helsinki	Department of Applied Chemistry and Microbiology	Symbiotic Legumes For Sustainable Food Production and Prevention of Land Deglaration in China	Lindström	Kristina
2002	300 010	University of Helsinki	Department of Forest Ecology	Land-use changes and carbon flows in Central America: sustainable options for carbon management	Kanninen	Markku

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2002	250 000	University of Helsinki	Department of Geography	Development of land use change detection methodology in East African highlands using geographic	Pellikka	Petri
2002	80 020	University of Helsinki	Department of Sociology	AIDS and Traditional Medicine Among the Akan - Kingship and Kinship	Armstrong	Karen
2002	60 020	University of Helsinki	Institute of Development Studies	Impacts of Finnish aid in forestry and rural development - a prestudy	Koponen	Juhani
2002	200 010	University of Joensuu	Department of Computer Science and Statistics	Information and Communication Technology Education for Development: a Tanzanian Perspective	Sutinen	Erkki
2002	42 290	University of Kuopio	Computing Centre, HIS R&D Unit	INDEHELA-Context: Socio-economic impact, sustainability and affordability in information systems development in and for Africa	Korpela	Mikko
2002	300 000	University of Tampere	Hypermedia Laboratory	Global challenges of eDevelopment	Vadén	Tere
2002	180 010	University of Tampere	Tampere Medical School, Paediatric Research Centre	Lungwena Child Nutrition Intervention Study	Ashorn	Per
2002	102 630	University of Turku	Functional Foods Forum	Decontamination of Food Toxic Metals by Lactic Acid Bacteria	Tahvonon	Raija
2002	300 000	Åbo Akademi University	Institute for Human Rights	Empowerment, Participation and Non-Discrimination - Operationalizing a Human Rights Based Approach to Development	Suksi	Markku
2001	302 840	Turku School of Economics	Turku Futures Research Centre	Sustainable Energy Development in Developing Countries (SEDCO) Evaluation Tool for CO2 and Energy Efficiency Analysis and Climate Policy	Luukkanen	Jyrki
2001	229 238	University of Helsinki	Department of Social and Cultural Anthropology	Exchange and identities: Modern reciprocity in India	Tenhunen	Sirpa
2001	257 386	University of Helsinki	Department of Sociology	Construction of Social Borders in A Developing Country in Transition - The Case of Namibia	Kortteinen	Timo

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2001	130 147	University of Helsinki	Institute for Asian and African Studies	Translating Human Rights in Africa	Englund	Harri
2001	201 842	University of Helsinki	Institute of Development Studies	Community-based natural resource management in Tanzania - conditions and impediments	Koponen	Juhani
2001	146 108	University of Kuopio	School of Public Health and Clinical Nutrition	Exposure of infants in Egypt to aflatoxin M1 in breast milk	Mykkänen	Hannu
2001	151 100	University of Oulu	Department of Educational Sciences and Teacher Education	Transformative Intercultural Learning in Development Co-operation Activities (TILDA)	Räsänen	Rauni
2001	63 912	University of Oulu	Department of Geosciences	Karnataka PGE (Platinum-group elements) Project	Alapieti	Tuomo
2001	232 371	University of Tampere	Department of Regional Studies	Governing the development/ environment problematique. Institutions balancing between local needs and global requirements	Karppi	Ilari
2001	151 067	University of Tampere	Tampere Medical School, Paediatric Research Centre	Lungwena Child Health Study	Ashorn	Per
2001	106 311	University of Turku	Department of Biology	Resolving newly discovered problems in using satellite images for estimating rain forest characteristics	Ruokolainen	Kalle
2001	313 335	University of Turku	Department of Social Policy	"Know others and yourself, then you can do a hundred things without any defeat": Challenges of modernization and globalization for Chinese social policy	Kangas	Olli
2001	96 841	Åbo Akademi University	Institute of Women's Studies	HIV, KNOWLEDGE AND POWER "African Aids" as represented in HIV activism and medical discourses	Oinas	Elina
2000	95 868	Helsinki School of Economics	Department of Economics	Institutions and Development	Haaparanta	Pertti

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2000	92 506	Tampere University of Technology	Institute of Environmental Engineering and Biotechnology	Visionary management of water services: Reform and development of institutional framework	Katko	Tapio
2000	79 891	University of Helsinki	Department of Applied Chemistry and Microbiology	The vitamin D status of Bangladeshi women: prevalence of deficiency in different subject groups	Lamberg-Allardt	Christel
2000	243 080	University of Helsinki	Department of Biological and Environmental Sciences	Ecological and health-related changes in the threatened rainforest of Madagascar	Niemelä	Jari
2000	77 366	University of Helsinki	Department of Political Science	The Political Economy of Environmental Degradation: The Cases of Botswana and Ghana	Vehnämäki	Mika
2000	67 611	University of Helsinki	Department of Romance Languages, Iberoromance Linguistics	A contrastive grammar Islander-English-Spanish	Bartens	Angela
2000	363 289	University of Helsinki	Department of Social and Moral Philosophy	In Search of Human Flourishment. Development Ethics and the Moral Challenge of Cultural, Social and Legal Diversity	Gylling	Heta
2000	254 304	University of Helsinki	Department of Sociology	AIDS in the Namibian Society	Notkola	Veijo
2000	153 052	University of Helsinki	Institute of Development Studies	Globalization, institutions and policies: Finland and developing countries	Koponen	Juhani
2000	72 826	University of Helsinki	Institute of Development Studies	Zakât, poverty and social welfare - Islamic economics and the critique of the secular state in Ghana and Nigeria	Weiss	Holger
2000	124 460	University of Jyväskylä	Department of Music	Research project in South-Africa concerning education of young musicians and choral conductors	Louhivuori	Jukka
2000	8 074	University of Kuopio	Department of Public Health and General Practice	Socioeconomic status and cardiovascular risk factors in an urban Chinese population	Nissinen	Aulikki

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
2000	141 280	University of Tampere	Department of Sociology and Social Psychology	Therapeutic authority and the realm of healing in the advent of twenty first century	Nisula	Tapio
2000	28 088	University of Tampere	Tampere Medical School, Paediatric Research Centre	Lungwena Child Nutrition Intervention Study - a dietary supplementation trial in rural Malawi (LCNIS)	Ashorn	Per
2000	216 629	University of Turku	Department of Biology	Distribution of tropical plants in relation to edaphic heterogeneity: use of indicator species in bio-diversity inventories and land use planning	Tuomisto	Hanna
2000	84 096	Åbo Akademi University	Department of Economics and Statistics	Trade and ecological sustainability (TRES)	Andersson	Jan Otto
1999	16 146	Finnish Institute of Occupational Health	Department of Epidemiology and Biostatistics	East Africa Pesticide Network: The Tanzanian Component	Partanen	Timo
1999	16 819	Helsinki University of Technology	Laboratory of Environmental Protection	Recovery of gold and base metals from copper and zinc tailings	Määttä	Raimo
1999	87 946	METLA		Developing multi-source forest inventory methods and the use of indicator species for surveying tropical rain forests	Tomppo	Erkki
1999	66 082	METLA		Developing multi-source forest inventory methods and the use of indicator species for surveying tropical rain forests	Tomppo	Erkki
1999	156 560	STAKES		Ding Yuan County Prenatal Care Trial: Evaluation of a prenatal care programme in rural China	Hemminki	Elina
1999	16 314	Stora Enso Forest Consulting Oy Ltd / University of Helsinki, Department of Forest Ecology		Critical factors in plantation forestry on Imperata cylindrica L. Beauv. dominated grasslands in Indonesia	Otsamo	Antti

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
1999	57 875	Tampere University of Technology	Institute of Environmental Engineering and Biotechnology	A Model for Management of Middle East Water Resources and Services	Katko	Tapio
1999	16 819	University of Helsinki	Department of Biological and Environmental Sciences	Ecological, socio-economical and health-related changes in the threatened rainforest of Madagascar	Niemelä	Jari
1999	117 733	University of Helsinki	Department of Forest Ecology	Feasibility of tree and forest planting in Central America	Kanninen	Markku
1999	370 016	University of Helsinki	Department of Forest Ecology	Land use changes and carbon flows in Central America: options for carbon management	Kanninen	Markku
1999	1 346	University of Helsinki	Department of Geography	New Directions in Development Geography conference, Vaasa 21.-23.6.1999	Kivikkokangas-Sandgren	Ritva
1999	27 314	University of Helsinki	Department of Social Psychology	The evolution of women's political subjectivity in Africa	Pirttilä-Backman	Anna-Maija
1999	90 407	University of Helsinki	Department of Social Psychology	The evolution of women's political subjectivity in Africa	Pirttilä-Backman	Anna-Maija
1999	2 523	University of Helsinki	Ibero-American Center	Latin America Research symposium, Helsinki 10.-12.6.1999	Pakkasvirta	Jussi
1999	4 205	University of Helsinki	Institute for Asian and African Studies	Social justice, social welfare and praxis in Islamic societies in Africa	Weiss	Holger
1999	16 819	University of Helsinki	Institute for Cultural Research	Archaeological Survey and Mapping Project of Jebel Bishri (Syria)	Lönnqvist	Minna
1999	51 791	University of Helsinki	Institute of Development Studies	The Palestinian Return and New Encounters in Society. Cultural Processes of Dispersion and Repatriation	Isotalo	Nina
1999	24 320	University of Helsinki	Institute of Development Studies	The Palestinian Return and New Encounters in Society. Cultural Processes of Dispersion and Repatriation	Isotalo	Nina

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
1999	149 934	University of Helsinki	Institute of Development Studies	Conflicts over resources and representations: Environmental and human rights struggles in Nicaragua	Vuola	Elina
1999	137 800	University of Helsinki	Institute of Development Studies	Conflicts over resources and representations: Environmental and human rights struggles in Nicaragua	Vuola	Elina
1999	17 492	University of Joensuu	Department of History	African Food Systems Under Colonialism: Food, Nutrition and Health in Uganda, 1885-1955	Kuhanen	Jan
1999	134 551	University of Joensuu	Faculty of Forestry	Local and National Forestry Impacts of Global Climate and Biodiversity Policies in the Philippines and Laos	Saastamoinen	Olli
1999	16 819	University of Jyväskylä	Department of Biological and Environmental Science	Patterns and processes in monogenean parasite communities in tropical finfish culture; a basis for biological control	Valtonen	Tellervo
1999	24 808	University of Jyväskylä	Department of Ethnology	Cultural Encountering, Change and Cultural Image	Suojanen	Päivikki
1999	155 507	University of Kuopio	Computing Centre, HIS R&D Unit	Methods for Informatics Development for Health in Africa - INDEHELA-M	Korpela	Mikko
1999	6 392	University of Kuopio	Department of Public Health and General Practice	Racial inequalities in cardio-vascular risk factors in Tianjin (China) - a substudy in Tianjin project	Nissinen	Aulikki
1999	125 419	University of Oulu	Department of Geography	Ecological Carrying Capacity of Natural Pastures: A Case Study on the Tibet Plateau	Naukkarinen	Arvo
1999	117 731	University of Tampere	Department of Management Studies	Non-Governmental Organisations in Development	Vartola	Juha
1999	117 724	University of Tampere	Department of Political Science and International Relations	The regional and local policy impacts of the global environmental and climate regimes	Palmujoki	Eero
1999	218 645	University of Tampere	Department of Regional Studies and Environmental Policy	Conditioning Global and Local Climate, Biodiversity and Development Policies: Changing Institutional and Environmental	Luukkanen	Jyrki

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
				Contexts of Tropical Forests		
1999	54 074	University of Tampere	English Department	Tense Past, Tense Present: Colonial and Postcolonial Encounters and Travesties	Kuortti	Joel
1999	28 423	University of Tampere	Tampere School of Public Health	Indian Cancer Registry Programme	Hakama	Matti
1998	16 819	Family Federation of Finland	Population Research Institute	Peoples of the Horn of Africa: Perspective on Ethnicity and Social and Cultural Reproduction	Söderling	Ismo
1998	35 320	Helsinki School of Economics	Doctoral Program	The Political Economy of Regional Economic Development: A Case Study of Ghana	Vehnämäki	Mika
1998	151 369	KTL National Public Health Institute	Department of Vaccines	Pneumococcal infection in children in developing countries; why so early, so frequent, so severe (FIMAT)	Mäkelä	Pirjo
1998	36 665	STAKES		Ding Yuan County Prenatal Care Trial: Evaluation of a prenatal care programme in rural China	Hemminki	Elina
1998	16 819	Tampere University of Technology	Institute of Environmental Engineering and Biotechnology	Model for River Basin and Transboundary Water Resources Management	Katko	Tapio
1998	38 684	University of Helsinki	Department of Forest Ecology	Forest Management and Sustainable Development on Dry and Degraded Tropical Lands	Luukkanen	Olavi
1998	15 490	University of Helsinki	Department of Forest Ecology	Forest Management and Sustainable Development on Dry and Degraded Tropical Lands	Luukkanen	Olavi
1998	98 000	University of Helsinki	Department of Forest Ecology, Tropical Silviculture Unit	Improvement of Traditional Acacia Senegal Agroforestry Systems in the Sudan: Ecophysiological Characteristics as Indicators for Tree-crop Interactions in Natural Tree Strands	Luukkanen	Olavi

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
1998	16 820	University of Helsinki	Department of Plant Production	Development of insect resistance rice varieties through the transformation of <i>Bacillus thuringiensis</i> (Bt) gene	Pehu	Eija
1998	208 747	University of Helsinki	Department of Sociology	Gender, hierarchies and social dynamics in India	Säävälä	Minna
1998	77 199	University of Helsinki	Finnish Museum of Natural History, Botanical Museum	Cryptogamflora of Hunan Province of China: Biological diversity and its impact for ecotourism, secondary forest production and in forest pathology	Koponen	Timo
1998	16 819	University of Helsinki	Institute of Development Studies	Towards shared expertise. Finnish-Tanzanian NGO development at work	Cowen	Michael
1998	110 238	University of Helsinki	Institute of Development Studies	Finnish Aid in Development (FAD)	Koponen	Juhani
1998	151 373	University of Helsinki	Institute of Development Studies	State and everyday life in Africa	Weiss	Holger
1998	30 564	University of Helsinki	Renvall Institute	Restructuration of Space in the Globalising World: Civic Public Spaces in the Mercosur area of Latin America	Patomäki	Heikki
1998	37 137	University of Joensuu	Department of Finnish Language and Cultural Research	Westernization and retraditionalization in the making of African postcolonial identity in the works of Ben Okri especially	Simola	Raisa
1998	22 874	University of Joensuu	Department of History	The Europeanisation of Ovamboland 1915 - ca. 1965	Siiskonen	Harri
1998	84 449	University of Joensuu	Faculty of Forestry	Indigenous Land Use Systems in Namibia	Pelkonen	Paavo
1998	154 030	University of Oulu	Department of Geosciences	Karnataka PGE (Platinum-group elements) Project	Alapieti	Tuomo
1998	35 319	University of Oulu	WHO Collaborating Centre	Training of scientists in reproductive health research and biotechnology	Vihko	Pirkko
1998	102 878	University of Tampere	Department of Political Science and International Relations	Popular participation in the management of natural resources: the role of endogenous institutions in Tanzania, Zimbabwe and Mozambique	Nummelin	Matti
1998	36 640	University of Tampere	Department of Regional Studies	Civic associations and environmental practices in the urban governance of Third	Myllylä	Susanna

Year	Funding (€)	Organization	Department	Title of Project	Principal Investigator	
				World megacities (case study Cairo)		
1998	62 834	University of Tampere	Tampere Medical School, Paediatric Research Centre	Lungwena Child Survival Study	Ashorn	Per
1998	841	University of Turku	Department of Biology	Biodiversity Prize 98	Walls	Mari
1998	5 887	University of Turku	Department of Folkloristics	Folklore Fellows' Summer School 1999	Honko	Lauri
1998	14 263	VTT Technical Research Centre of Finland		Development of Finnish-Indian cooperation in wood and wood engineering research	Gowda	Shankare
